Number of Axles 11 **GVW** 199,000 **Total Price** \$78.00

North Dakota Highway Patrol

Official Permit

PERMIT # 2025092158

Issued By: 888 - w. user

38-06-04-01. NDAC. Liability of permit applicant: 1) The applicant or permittee, as a condition for obtaining an oversize or overweight, or both, permit, shall assume all responsibility for accidents, damage, or injury to any persons or damage to public or private property caused by the movement of any oversize or overweight, or both, vehicle or load covered by the permit while upon public highways of the state. 2) The applicant or permittee agrees to indemnify and hold harmless the North Dakota Department of Transportation, the North Dakota Highway Patrol, their officers, and employees from any and all claims resulting directly or indirectly from the movement of an oversize or overweight, or both, vehicle or load on any public highway of the state of North Dakota.

PERMISSION FOR THIS MOVEMENT IS HEREBY GRANTED subject to compliance with provisions of North Dakota laws of the State of North Dakota and under their terms, conditions and restrictions contained herein, and subject to revocation upon noncompliance.

The NDHP permit system authorizes movement on state, interstate, and U.S. roadways only. Contact local authorities for travel on local roadways. Speed restrictions listed under the driving directions supersede all other speed requirements.

Remarks

Requirements:

1. Require 18" x 18" red or orange flags, front & rear, traffic side of load.
2. No travel, except on interstate roads I-94 and I-29, when the temperature exceeds 90 F.
3. No travel when inclement weather prevails, if visibility is 1/2 mile or less, or highway is slippery.
4. Must display a 12" x 60" 'OVERSIZE LOAD' sign.
5. Allow all traffic to pass.
6. No travel on shoulders of road.
7. All vertical clearances are the responsibility of the permittee.
8. Must be properly lighted for nighttime travel.
9. Require 12"x12" red flag at rearmost part of load when rear overhang is more than 4ft.
10. For road construction, size and weight restrictions, and travel conditions visit: <https://travel.dot.nd.gov/> or call 511
11. Nighttime travel requires clearance lights visible from the front, rear and side, on the outermost width of load.
12. When travelling at night, rotating or flashing amber lights visible from both front and rear to a distance of 500 feet shall be mounted on the top of the vehicle/towing unit.
13. Permit policies can be found at <https://www.nd.gov/ndhp/motor-carrier-operations/permit-policies>
14. Must display a 12" x 60" 'OVERSIZE LOAD' sign front and rear.
15. Nighttime travel allowed if 12ft wide and 120ft long or less and when properly lighted (Height must be 14' or less)
